R.W. Aaronson made a motion that the M.W. stop collecting dues and that a the lodges pay \$50.00 per year to the association. This will be for the lodge itself so any member may attend. If a lodge does not may and a member of that lodge wants to attend that individual will pay \$10.00 per year. This motion was second and all voted in favor. This bill will be sent out in the month of May. While Bro. Stew still had the floor he talked about the Masonic home and then he talked about Gedion Lodge.
