Master's Message

Greetings Brethren,

Thank you to all of the Brothers who have helped clean up the lodge building the past month. There was a lot of work to do and we accomplished quite a bit. We are especially thankful for **Wor. Bill Caswell** for letting us dispose of most

of the rubbish in his dumpster. There is still a lot of work to be done to the building but we are on the way.

I would like to also thank **Brother Don Purdy** for paying for our lawn care in the summer months. He has done this for a number of years and so he should be recognized.

There was discussion this month of possibly raising dues again. Come to the stated meeting or call me if you would like more information. We will not vote on this issue, if there is one, until November at the earliest. Please let your voice be heard. This is your Lodge too!

An **Open House** for our Lodge as well as a **ham and bean supper** is on Saturday October 17. Come by for all or part of the day to guide visitors or just to hang out. Supper will be at 5PM and is being spearheaded by SW Kris Furtney.

Our **Annual Visitation** is on Thursday October 22. I would like to see every able-bodied Mason in attendance. The more, the merrier!

The **Vet's Program** will be on Tuesday October 13. This is open to all friends and family. If you have never been to one, now would be a great time to come and honor our Veteran Brothers.

We have a NEW website! Brother Kyle Parent is responsible for putting it all together and maintaining it. It looks great. This site has incredible potential. Most new Masons are on the internet and this website will catch their eye. Check it out.

As always, I look forward to seeing all of you in Lodge.

Fraternally,

Robert D. Berry
