Feb 18	Stated Communication FC. Degree on two to four candidates Collation to follow meeting Officer dress: Tux	7:30PM

Master's Message

Greetings Brethren,

I am humbled and honored to be your Master for 2010. We had a great turnout for the Installation on January 9th and have an energized group of officers ready to go to work.

Our number one goal for 2010 is to raise new brothers to the sublime degree of Master Mason, and we currently have six brothers who have gone through their EA degree. We will have as many as four of them being passed to FC at the stated in Feb, and plan on holding a MM degree in April at the William Pitt Tavern.

The second goal is to have fun in lodge and give the brethren of Moses Paul a reason to come to lodge, and then a reason to want to comeback. To that end we will be planning special events throughout the year. Tentatively, we are having a special speaker planned for the March Square and Compass, the Pitt Tavern MM degree in April, a celebration of the 120th Anniversary of Moses Paul Charter in May, and a White Apron night in June.

The third and final goal is to increase public awareness within the Dover community. In addition to the very successful annual DARE breakfast we will hold again in April, we will have at least two public breakfasts planned on the 1st Saturday in Feb and March to raise money for a scholarship we plan on awarding to a graduating senior from one of the three high schools in Dover. We have a Open House scheduled for March 27th, we will plan on again supporting the Dover Fire Fighters Toys for Tots campaign with a Dinner later in the year, and finally, we will continue to search for youth groups who may want to make use of our hall for monthly meetings.

In closing, I believe the strength of Moses Paul is in its membership. It is my hope, that between all the degree work, special events and public awareness activities planned for 2010, we have indeed provided many opportunities and reasons for the brethren to want come to lodge. I will personally be soliciting the thoughts and ideas of all our Past Masters who live in the local area, but will also gladly welcome all individual ideas and comments from every Brother of Moses Paul. I am confident, that together, we will have a great 2010.

Fraternally and respectfully,

Worshipful Kristopher G. Furtney

Post Script – included in this months TB is one of those ideas. Brother Steele suggested sharing a copy of a Masonic Funeral Service Request with the brethren. While we wish no one any ill will, its always good to be prepared.
