## Master's Message

Greetings Brethren,

I hope this Trestle Board finds you and your family well. Moses Paul had a very productive February. We had a great turnout for the Pancake Breakfast and raised nearly enough money to cover the cost of the High School Scholarship. At our stated meeting we had some excellent degree work, passing Brother Stacey and Brother Powers to the degree of FC, and voted in two new candidates who will begin their degree work in March or April. That means we now have eight brothers/candidates scheduled for degree work in the months to come. Also, we continue to receive new petition applications and may reach out to you to help with an investigation, if you are able to do so.

At our Square and Compass on March 4th we will hold a Building Association meeting and at the stated we will be voting to make a change to our By-Laws to increase the current Petition fee of \$50, to bring it in line with our current annual dues. Also, please mark your calendars for the following upcoming events: a) our

Open House on March 27th during which we will have another public breakfast, b) April 15th when we will hold a Master Mason degree at the William Pitt Tavern, and c) April 17th when we will run our annual DARE Breakfast.

Over the past few weeks, I have had the opportunity to talk to a few of our Past Masters who have provided me with many excellent thoughts and ideas to help us all move forward in 2010. I invite each and every one of you to pick up the phone and contact me, or any of the officers to share your ideas as well. In the next month or so, Moses Paul is considering implementing the use of a relatively new technology called Call-EM-ALL. It is basically an automated phone tree service, which would advise the brethren of upcoming events, cancellations, funeral notices, etc. Only those brethren who wish to participate in the Call-EM-ALL service will be included. It has proven to be a cost effective timesaver and an excellent way to keep the brethren informed in a timely manner, and I hope you will strongly consider signing up. You can get more info at [www.call-em-all.com](http://www.call-em-all.com). If you would like to be included please call Brother John Pond or send him an email at [bears123@comcast.net](mailto:bears123@comcast.net) on or before April 1st and be sure to include your name and telephone number.

Finally, for those of you who have not had an opportunity to pay your 2010 dues, please attend to that matter as soon as possible. If you should have a financial hardship, please let me know. As always, I hope to see you at an upcoming square and compass or stated meeting.

Fraternally and respectfully,

Worshipful Kristopher G. Furtney
