Message from the East

Greetings Brethren,

As always, I hope this Trestle Board finds you and your family well.

As I write this message it is 87 degrees outside and I wonder whether it is late May, or the middle of August.

I must report that we had a very successful 120th anniversary celebration on May 20th with no less than 11 Past Masters and 35 brethren in attendance. A special thank you goes out to Worshipful John Taylor who honored us with his presence on this night, as well as Worshipful Mike Steward from Strafford Lodge who presented a quite excellent Master Mason History Lesson.

We received three more petitions this month, and plan on holding a Special communication on June 10th to raise two more brothers to the sublime degree of Master Mason.

We also will hold a White Apron night at the stated on June 17th. What a great night for any and all who have or have not been to lodge in a while to gather together and share our experiences on why we joined this honorable fraternity.

Moses Paul plans to go into darkness for July and August but that does not mean we may still not have a special get together during that time and we will continue to plan our meetings for the fall. If you have any ideas and or wish to see something happening in Moses Paul in the months to come, please don't hesitate to reach out to any of the officers as well as myself.

As a final note, thank you to all who caught up with their dues obligation for 2010.

Fraternally and respectfully,
Fraternally and respectfully,

Worshipful Kristopher G. Furtney
