## **Masters Message**

First, I want to thank the membership for electing me as their Worshipful Master.

We are anticipating an active year with plans to continue our work within the lodge as well as our charitable activities in our community and in support of our troops overseas.

It appears that "global warming" has taken a break. We are experiencing a colder and snowier winter than normal. As you are about your business, look in on our elderly brethren their widows and neighbors who may not be able to cope with the snow and ice as well. See if you can help maybe clearing the drive way and or walk way. If you need assistance please notify a lodge officer.

Since you are reading this Trestleboard, you are aware that we have made some changes in its appearance. One reason for making the change is to call attention to the heritage of our lodge. We are St. Andrews. At each meeting we ask that the flag of our country be presented west of the altar. It is also customary. It is also customary, in our lodge that the blue flag with the diagonal white cross accompany the stars and stripes. That flag is the Cross of St. Andrew, which represents "our" lodge. This is the first design. You may notice some minor changes as we improve the quality of the art work. I hope you like these changes.

Fraternally

Winston "Gus" Gouzoules, Worshipful Master  
(603)436-5008
