

STAR IN THE EAST LODGE No. 59 F.&A.M.  
63 Water Street, Exeter, NH 03833  
Constituted April 23, 1857

### **TRESTLEBOARD for, February, 2012**

Star in the East #59 celebrates this month with several important programs.

Masonry is an organization that treats all worthy men equal and on the level. We usually receive masters wages for our efforts. One brother brought forth an idea which encapsulates how men should act and emulate. The Mason of the month has captured this Masters imagination. We made a presentation in January to Brother Ronald Nudd for all the selfless work he does. Behold how good and pleasant it is to honor such a deserving man. The pictures of the presentation are on the web-site. I am so proud to have been elected to sit in the East again, its only been 26 years in between. This honor is taken with a sense of reverence and dedication.

This Month is Star in the East's turn to host the 4-Square Club this year on February 23rd. This organization continues the mission to honor the birthday of the first Grand Master, George Washington and has for 51 years. Dinner will be served at 6pm. I would like invite you and your wife, girlfriend or another brother to enjoy a special semi-public program and fellowship. I was taught by a very important person in my life it is the responsibility of each mason to make "masonry better". I challenge you to find others that can make men better. Last month we voted to accept four(4) new members into our ranks. Like King Solomon's temple that was built, demolished and built again I see the cornerstones of our lodge being reset and rebuilt right before our eyes. I would love to see you come and participate in this worthy effort!

Worshipful Master. Brother David Mahoney continues to rehab. from his knee surgery. He can be reached at 603-642-5872. I'm sure he would appreciate a call just to say "How ya doing"

Our Organist Brother Arthur Haley is home but still awaiting clearance from Dr's to see visitors. Until then we can contact him at 603-642-5469. He appreciates the thoughts and prayers and enjoys the calls.

Brother Christopher Clark has successfully recovered from an emergency appendectomy and has returned home. He may be reached at 603-418-5442
