## **FROM THE EAST**

### **Brethren,**

September was another busy month! Our Fall Cookout went well. Everyone who attended had a good time.

There was a motion brought up at our last stated that; "All of the proceeds from our (William Norton) Fall harvest supper, Should be donated to the Dover Children's Home after we apply for matching funds from Grand Lodge!" The motion had little discussion and then went to a unanimous vote in the affirmative. Now is our chance to make this year's harvest supper the biggest yet! This is a win-win for everyone. Let us ALL start spreading the word early this year. November 7<sup>th</sup> is the day!

Our Veteran's Program was also a success! It was great for our Grand Master and I to pin our Brothers with their service pins and medals!

We also had a Fellowcraft degree that went well. All of the brethren present were very pleased with the candidate's perfect EA lesson. October 21<sup>st</sup> will be the night of their Master Mason degree. Make sure your there to see their Fellowcraft lesson.

Do you like Jeopardy? Know much about Masonry? That will be our program at our October's Stated meeting. Bro Dan Stolworthy will be leading us through this Masonic game. We will break for a short collation after the game, then we will have our meeting. This should be a great night!

On October 17<sup>th</sup>, every Lodge in New Hampshire & Massachusetts will be open to the public. We should do our best to inform non-masons. I feel pretty good saying the mural project will be completed by then, which will be good for when our doors to be open to the public.
