

## FROM THE EAST

**Brethren,**

I want to thank all the Brothers that were able to give donations and help volunteer with our November's Fall Harvest Supper. Because of our efforts we were able to serve over 200 people and raise \$1500 (Includes matching funds from GL) that will be donated to the Dover Children's Home this month. That's awesome!! We should give a special thanks to Bro. Frost who spent a lot of time going to local businesses and getting the majority of the food donated, thus allowing us to keep our costs to a minimum and maximize proceeds! Good work .

Our newly made Master Masons were presented with the Grand Master's pin when they meet him at the LOI in Portsmouth. All who attended watched a program on Military Masonic Leaders with every branch represented by a uniformed Brother.

We voted on another petition at our stated and read three more! This will be a busy upcoming year! All Master Masons should make the degrees, it makes so much more of an impression when the sidelines are full of Brothers.

Our EA degree went really well! We were happy to help enter two candidates from St. Johns. Next months EA degree should be just as smooth, so if you missed the last one, make sure you don't miss this one!

December's stated will be short and sweet for it is my last Stated meeting as Master before our Annual meeting in January! (that means election of officers!!)

Remember Brethren: Success is never sure, and failure is never final!
