FROM THE EAST

Brethren,

Wardens and Brethren, I return to you my sincere and hear felt thanks for the honor you have bestowed upon me at this time by electing me as your Worshipful Master. Wor. Bro. Harlan Adams has left me some rather large shoes to fill. The energy level of the Lodge is higher then I have ever seen it. I hope that this will continue.

The Fellow Craft Degree went very well. Thank you to all the Officers and Brethren that sat in chairs and performed an outstanding job. We still have an Entered Apprentice degree in January and I am sure that it will go just as well.

The installation of officers was one of the most memorable experiences of my life. I want to thank everyone who participated in the installation and all those who attended to show their support for Strafford Lodge. I am very pleased to not have any past masters sitting in a chair ascending towards the East. This is the first time I have ever seen this occur and hope this trend continues.

February will be very busy. My first Stated as your Worshipful Master will be a "White Apron Night" presented by our DEO, Wor. Bro. Stephen G. Miller. Please bring your white apron that night. After the program, we will break for collation, then have our stated meeting at which time we will be voting on some By-law changes.

Also, we will be conferring a Master Mason degree on February 24th, please come and show your support for your new line of officers.

Fraternally
David S. Butler
Worshipful Master
