FROM THE EAST

Brethren,

May is upon us and even though there are no degrees planned we will still have a good month. This would be a good month to visit other Lodge's that have work on Wednesdays. Also let's plan on getting the Grand Master's Award this year.

After our Fellowship Dinner on May 5th, BJ Hickman will be performing for the Cocheco Grange. ALL are invited to attend and bring guests.

The program for this month will be Kecia Reynolds presenting a lesson on Sacred Geometry. Several of our brothers requested this lesson in our lodge because they have seen it and highly recommend it.

Our MM Degree went very well. Thank you to everyone that showed up and everyone that participated in raising 2 Brothers to the Sublime Degree of Master Mason.

One of our EAs was passed on April 29th in Moses Paul, but since April is only a 30 day month we will not be able to meet the 28 day requirement by the last Wednesday in May so his raising will be in June.

Even though the official Grand Master's Award Program is not yet published for 2010, it starts in May and will most likely require the Master, Wardens, Secretary, and Grand Lodge Representative attend Grand Lodge, on May 15th at 9 am-ish, so please plan on attending. All Master Masons are invited. We can carpool and go out for breakfast that morning.

I will be in a Logger's Master Mason Degree on May 11th in Gideon Lodge. Dinner at 6:30. Degree at 7:30. This sounds like a very interesting degree team.
