District 2 - Sat, Nov 6 - Nashua. Dinner 6:30, Grand Lodge opens 7:30.

FROM THE EAST

Brethren,

Summer is closing in on us fast. One more month, and a busy month it will be, before we go dark for July and August. Let's have a great month and enjoy a well deserved summer vacation. Remember that not all lodges go dark so if you want to travel to other lodges, like St. Johns, this would be a good time to do so.

This month we will have a MM Degree on June 16th and need people to step up and help put on a good degree. We will also be having an EA Degree on June 23rd. This years official visitation will be the EA Degree so I would like to put on a good degree with all the real players to see how well we can do it.

After the summer is over we will hopefully come out of darkness with a cook-out. It would be nice if we could do this at a park somewhere. Please give me some ideas of places to hold this event.

Grand Lodge was very exciting this year. It started off with some good ceremonies by the Rainbow Girls and DeMolays, followed by some interesting presentations, and ended with the Grand Lodge assessment only going up by a dollar.

Please let me know if you have any ideas how to finish off the year in great form.

Fraternally

David S. Butler

Worshipful Master
